7 GARDENING TIPS

1. Put your garden to bed dry. Moisture on the leaves at night leads to more diseases
2. When spraying for insects and diseases change up the active ingredient in the pesticide for better results. (these are usually found on the front of the packaging)
3. When planting trees be sure to mix 1/3 mulch with 2/3 native soil. Create a well around the base of the tree. Be sure to fill the well up with water, 2-3 times a week depending on the weather.
4. Most insects are nocturnal. So if you can't see what is eating your plants grab a flashlight and take a nighttime stroll through your vegetable and flower beds. Be sure to look under the leaves.
5. Fertilize regularly.
(N)Nitrogen - for the growth of the plant
(P)Phosphate - for the root and fruit production
(K)Potassium - for all-around plant health
6. Now is a good time to plant, the soil temperatures are warming up, your vegetables and flowers will grow quick.
7. Sing to your plants!! Smile it's the perfect time to start your garden

LARRY H. MILLER UTAH SUMMER GAMES

CEDAR CITY, Utah (May 7, 2025) - The Silver and Black is officially coming to the Larry H. Miller Utah Summer Games.

The Southern Utah University community outreach department announced a landmark agreement with the Las Vegas Raiders on the new Summer Games 7-on-7 and Girls Flag Football events, with the Raiders becoming the presenting sponsor of both. The collaboration with one of the NFL's iconic franchises will provide the Games with support to manage the startup of the events, as well as support on officiating for the events.

"It is an honor to partner with the Las Vegas Raiders to bring football to the Larry H. Miller Utah Summer Games," said Jon Oglesby, Executive Director of the Larry H. Miller Utah Summer Games. "The Raiders and 'Raider Nation' are one of the iconic brands in all of sports, personifying a commitment to excellence in both people and football. We are thrilled to join with them in carrying the torch of this great game to a new generation of athletes."

The "Larry H. Miller Utah Summer Games 7-on-7 Football Tournament, Presented by the Las Vegas Raiders" will take place on June 9-10 on the SUU campus and around Cedar City, while the "Larry H. Miller Utah Summer Games Girls' Flag Football Tournament, presented by the Las Vegas Raiders" event is scheduled for June 16-17. SUU Football will be the coordinating group for both events, with SUU

Football coaches actively working the event.

The 7-on-7 event will cater to high school teams, while the Girls' Flag Football event will have brackets for both high school and middle school teams. Teams from both inside and outside of Utah are eligible to participate in the events.

"The Raiders are proud to team up with Southern Utah University in support of the Larry H. Miller Utah Summer Games,"

said Raiders Director of Football Development Myles Hayes.

"This is a tremendous event that shines the light on flag football and the strides that the game has made across all ages. We are excited for the opportunity to extend our support of athletic programs for youth with Southern Utah University."

Teams in Utah and outside of the state are eligible to compete in the football events. More information on 7-on-7 Football can be found at UtahSummerGames.org/sports/2024/11/19/football-7-on-7.aspx. Information on the Girls' Flag Football event is available at <https://UtahSummerGames.org/sports/2024/11/19/football-girls-flag.aspx>. In addition, college coaches will be on-site at both the 7-on-7 event and Girls' Flag Football event scouting attending players.

Participants for all events will receive a Summer Games shirt, backpack, and will compete for Olympic-style medals. In addition, the Girls' Flag Football event will also be one of the first events nationally that will utilize the new NFHS rule code that has been created for sanctioned high school competition across various state high school associations.

In addition to involvement in football events, the Raiders will play prominent roles in the "Larry H. Miller Utah Summer Games Opening Ceremony, presented by State Bank of Southern Utah," and the "Larry H. Miller Utah Summer Games Block Party, presented by KSL 5 TV." Various members of the Raiders organization will also participate in the football events.

Since 1986, the Larry H. Miller Utah Summer Games have operated as the official state games of Utah, welcoming residents of Utah and other states to compete in the Olympic-style sports festival. The Southern Utah University department will host the 40th consecutive rendition of the Games in Cedar City in 2025, and will host the State Games of America event in Salt Lake City in 2030. For more information on the Utah Summer Games, visit UtahSummerGames.org.

The Las Vegas Raiders are one of the iconic franchises in the National Football League, winners of three Super Bowls and four AFC Championships. For more information on the Raiders and their efforts to improve access to football opportunities, visit

Raiders.com/Football-Development/

100th Birthday Story

from Shauna Lund

FOR IRON COUNTY TODAY

Water, birthday cake, and ducks seem to have little in common, but at 5 p.m. on May 28, the three will come together in a family friendly celebration hosted by the Cedar City Rotary Club.

How do the three connect?

Here's the story of each:

● **Water** — Seven years ago, the Cedar City Rotary Club had a vision of water-play for all in the West Canyon Park that featured the history and heritage of water use in the Cedar valley. With grants from RAP Tax, the Utah Office of Outdoor Recreation, Trees Utah and the generosity of many within the community, Phase One of the Rotary Club's Canyon Water Park is complete!

Choice Builders oversaw the project without making a profit and their partners, SD Construction and Nelson Dirtworks did the same. BZI built the all-abilities water play table and Southwest Plumbing designed and built the pivot. Paul Longson designed and built the weirs. Rocky Ridge helped with the sand, rocks, dirt and dumpsters. Cedar Temp Fencing placed the fencing and Western Rock the concrete.

The Central Iron County Water Conservancy District donated the signage and bypass pipe, while the Washington Water Conservancy District donated the technician and the fuser to put it in place. Trees Utah provided funding for the new trees. Cedar City Motors donated \$25,000

towards the project. The Utah Office of Outdoor Recreation did its part with the pathways and some of the water play features, while the RAP Tax provided a lion's share of the funding.

"We are so excited to wrap up the first phase of this project," said Paul Monroe, Central Iron County Water Conservancy District General Manager and past Rotary president. "We have heard from tons of people in the community who share our excitement. When we first started this project in 2017, the city was just wrapping up a survey on parks and recreation, and the number one requested need from the community was a water play/splash pad. This begins the fulfilment of that dream."

● **Birthday cake** — Rotary is 100 years old! The Cedar City Rotary Club was organized June 10, 1925, as Club #1060 in Utah District #5420. The desire of the club to serve Cedar City and surrounding Iron County has not changed, but its membership has grown from a humble beginning of a handful of members to now more than 105 members, making it one of the larger clubs in the state.

As Rotarians began discussing how to celebrate 100 years, they agreed that combining the celebration with the culmination of the opening of the Canyon Water Park was very fitting. What better way than to show one of the many projects Rotary has shouldered to serve the entire community.

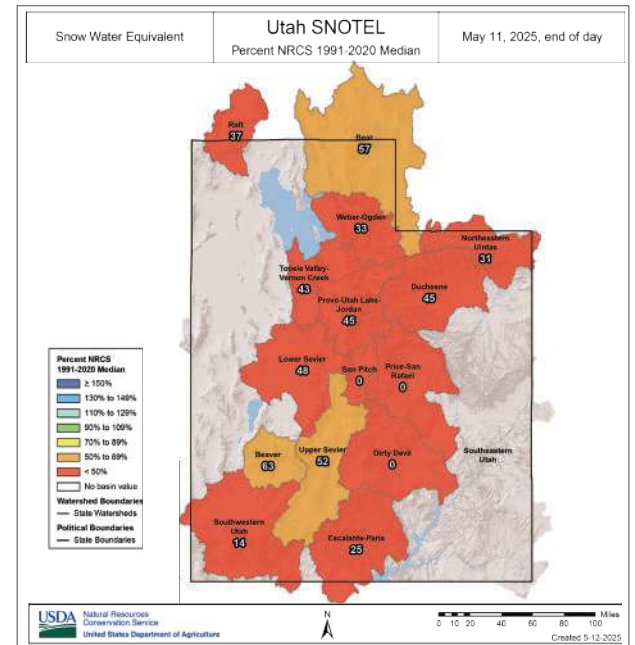

Current Rotary President Randy Allen said:

"This is the perfect time to look back with gratitude to the people who served, built, supported, lifted and fixed things. All those 100 years of Rotarians inspires us to carry this tradition of service forward, preserving and perpetuating the goodness we inherited."

● **Ducks** — And finally, to bring the two events together with a look to the future, Rotarians will be putting on a duck race during the park opening. Residents are invited to "purchase" a rubber duck to enter in one of four categories: Infant to preschool; elementary school age; middle school to high school; and adults. The ducks will race through the water park and the winners in each category will take home a great prize. The duck race is more than a fun competition. Each duck will help raise funds to move into the second phase of the park, which includes an all-abilities playground.

Residents can purchase ducks by paying via Venmo @cedarcityrotary. Please mention ducks and the category in the notes. Cost is \$5 per duck or 5 ducks for \$20. Interested in just making a donation? Send your contribution via Venmo to @cedarcityrotary and note it is for the park.

Rotary gives thanks to the community for supporting this vision for the past several years. We invite all to join us for water, birthday cake and ducks at 5 p.m. on May 28.

FROM THE EDITOR

**ESTHER
HAILSTONE**
OFFICE MANAGER

I don't know about you, but I'm still surprised to look at the clock and see how light it is outside. The days are stretching longer, the evenings are warmer, and that can only mean one thing—summer is just around the corner.

With the longer days come more opportunities to enjoy everything Cedar City has to offer. As many of you know, our town comes alive in the summertime. There are countless activities and events happening all season long, and it's no wonder we're proud to be called Festival City. From community celebrations to music and art events, there's always something to look forward to. One of the highlights of the season is the Utah Summer Games, which bring together thousands of athletes from across the state and further to compete, celebrate, and connect. It's an incredible showcase of talent and community spirit, and we're lucky to host it right here in Cedar City. Of course, the renowned Utah Shakespeare Festival is also just around the corner, drawing visitors from far and wide for world-class performances under the stars. We're also fortunate to be nestled near some of the country's most stunning state and national parks. Whether you're venturing out to explore Bryce Canyon or Zion, or enjoying a peaceful hike right here near Cedar City, the outdoors are calling. After a very wet spring, the trails are green, the wildflowers are blooming, and the air smells fresh with the promise of summer. So grab your calendar, get outside, and make the most of this beautiful time of year.

False Promises and Damnable Dreams

PART VI

by Edy Meredith

FOR IRON COUNTY TODAY

In Matthew 24:24, Jesus warns, “For false messiahs and false prophets will appear and perform great signs and miracles to deceive even the elect—if that were possible.” 2 Thessalonians 2:9 also says, “The coming of the lawless one will be in accordance with the work of Satan displayed in all kinds of counterfeit miracles, signs and wonders.” People are looking for help because of the difficulties of life today so they accept deceptive miracles and false promises of deliverance. In Ashley Lande’s biographical book, “The Thing That Would Make Everything Okay Forever: Transcendence, Psychedelics, & Jesus Christ”, her life story shows how she chased deliverance from life’s chaos by using drugs, but she only found dis-

order and confusion in them and finally found peace miraculously through the grace of Jesus the Christ.

In the Book of Revelation chapter 12, verses 7-17, we find, “Now war arose in heaven, Michael and his angels fighting against the dragon. And the dragon and his angels fought back, but he was defeated, and there was no longer any place for them in heaven. And the great dragon was thrown down, that ancient serpent who is called the devil and Satan, the deceiver of the whole world—he was thrown down to the earth and his angels were thrown down with him. And I heard a loud voice in heaven, saying, Now the salvation and the power and the kingdom of our God and the authority of his Christ have come, for the accuser of our brothers

opinion

FALSE PROMISES

« CONTINUED FROM PAGE 6

has been thrown down, who accuses them day and night before our God. And they have conquered him by the blood of the Lamb and by the word of their testimony, for they loved not their lives even unto death. Therefore, rejoice, O heavens and you who dwell in them! But woe to you, O earth and sea, for the devil has come down to you in great wrath, because he knows that his time is short!”

How can we find protection from satanic deceptions that imitate God’s glory and grace? The Bible demonstrates that erroneous miracles have certain characteristics that will help us identify that they do not originate from the Great Creator. To help us, we should be aware of the following: False and deceptive miracles are empowered by Satan and his agents, including the Antichrist and false prophets. Unlike true miracles, which glorify God and affirm God’s truth, false signs serve to promote lies and idolatry by elevating mankind above their Creator. The primary purpose of deceptive miracles is to lead people away from the truth of the good news Gospel when God the Son died on the Cross to pay the price for humankind’s sin. False miracles lead humans into spiritual error and hubris. They are designed to mimic the power of God, creating confusion and doubt among believers and non-believers alike. True miracles align with Biblical scripture, glorify God, and lead to repentance and faith in Jesus the Jewish Messiah who

came to earth 2,000 years ago to pay the price for humankind’s sins on the Cross to glorify His Father in Heaven. “Beloved,

believe not every spirit, but test the spirits whether they are of God: because many false prophets are gone out into the world.” (1 John 4:1)

What are the tests that must be employed to verify true miracles from God? To do that, we must examine and diligently study the Bible, rather than to accept what others tell us; “...be diligent to present yourself approved of God, a worker who does not need to be ashamed, rightly dividing the word of truth”

(2 Timothy 2:15). The Word of God is to be “a lamp” and a “light” to our path (Psalm 119:105), so that we rejoice in God’s way as He directs our path. Can we “test” teachings if we don’t know what the Bible instructs? That would be like registering for a college class, never going to class or studying the syllabus, and then taking the final exam expecting to pass the course. What a waste of time and money that would be! The Bible consistently warns believers to be on guard against deceptive miracles; Jesus, Paul, and John all emphasize the importance of spiritual vigilance and discernment. Believers are encouraged to remain grounded in the Word of God in the Bible, to cultivate a deep love for the truth, and to rely on the guidance of the Holy Spirit to discern the true from the false. While the Bible does not provide an exhaustive list of deceptive miracles, it offers clear guidance on how to recognize and respond to them.

Cedar City Man Pleads Guilty to Drug Distribution, Faces Up to Life in Prison

by Tracie Sullivan

FOR IRON COUNTY TODAY

A Cedar City man with a lengthy criminal history has been sentenced to five years to life in the Utah State Prison. His conviction followed two separate investigations into drug distribution.

Taylor Matthew Button, 28, has been sentenced to five years to life in the Utah State Prison after pleading guilty to a first-degree felony for distributing or arranging to distribute controlled substances. The sentence comes as part of a plea agreement that combined two cases against him.

Button was initially charged with distributing fentanyl and methamphetamine in one case and enticing a minor in another. As part of the agreement, the charges in the second case were dismissed. His sentence will be served concurrently, meaning he will serve both cases at the same time.

Distribution of Controlled Substances

According to court documents, officers obtained a search warrant for Button’s phone in January. Text messages revealed he had been arranging sales of fentanyl — often called “blues” — and methamphetamine. Investigators described him as a repeat offender with a history of drug distribution, sometimes depending on others to pick up the drugs.

“Agents could have charged distribution of several different drugs. Due to the amount he has been

CORRECTION

An earlier version of the Developer Built Dozens of Homes Without Legal License story incorrectly referred to the company Nuway Construction LLC as “New Wave Construction” in two instances due to an inadvertent error during the editing process. The correct name is Nuway Construction LLC, doing business as Black Rock. New Wave Construction is not involved in this story nor any criminal activity mentioned. We apologize for this error and have corrected the story.

IRON COUNTY GOVERNMENT RECAPS

Cedar City Planning Commission

by Iron County Today Staff

FOR IRON COUNTY TODAY

The Cedar City Planning Commission met on May 6th to discuss three agenda items related to property changes for the Cedar City Senior Seminary. Ryan Scholes assisting Mike Davyy as architect, presented plans for the project:

- An amended plat combining a seminary property with lot 53 of Jefferson Park subdivision and adjusting boundaries with lot 37.
- Vacating a right-of-way for a 5-foot sidewalk between lots 36 and 37, with plans to replace it with a pedestrian access easement connecting to 860 West.
- Vacating utility easements that would interfere with the new building construction.

The project involves completely removing the existing seminary building and constructing a new one, with construction potentially starting over the summer. The commission confirmed no HOA restrictions would impact the property changes.

After a brief public hearing with minimal questions, the commission closed discussion and approved positive recommendations for items three and four, while item two would move forward to city staff for decision. The meeting was then adjourned.

Cedar City Council Meeting

by Iron County Today Staff

IRON COUNTY TODAY

The Cedar City Council Action Meeting on May 7, 2025, began at 5:30 PM with an invocation and Pledge of Allegiance. The Council received a commemorative wooden plate carved by local wood carvers, which will be presented to dignitaries in Gapyeong, Korea, to honor the historic Battle of Gapyeong fought in 1951.

Council announcements included thanks for the successful Spring Fiesta and Airport Terminal expansion ribbon-cutting.

Jon Oglesby from Larry H. Miller Utah Summer Games provided updates, announcing a partnership with the Las Vegas Raiders to sponsor seven-on-seven and flag football events. He reported record attendance projections, a new Special Olympics Utah partnership bringing hundreds of athletes and family members to the city, and plans for the biggest fireworks show in Summer Games history at the opening ceremony on June 6th. New events this year include cornhole and outdoor volleyball.

The Council approved several ordinances and resolutions, including:

- Vacation of a public right-of-way near 2500 North Main Street
- A development agreement related to property at 800 North and 3700 West
- Appointment of Johnny Jeounghoon as Cedar City's honorary ambassador to Gapyeong City

- Amending ordinances restricting automobile sales on public streets
- Multiple ordinance amendments to correct outdated code references
- Adoption of the 2025-2026 fiscal year tentative budget with planned adjustments for water meters, fire personnel, police vehicles, and other items

The Council also approved Terry Marsh's appointment as Finance Director, starting May 17th.

Following the regular meeting, the Council convened as the Redevelopment Agency to approve its tentative budget, which included tax increment financing payments for ongoing projects like South Main Street lighting. They then briefly met as the Municipal Building Authority to approve its tentative budget for debt service on the animal shelter and a fire truck.

Parowan City Council Meeting Summary

by Jennelle Zajac

FOR IRON COUNTY TODAY

Here is a condensed summary of the meeting. Please find a more in-depth summary at Iron County Today's website. The meeting began with the Mayor acknowledging the recent passing of Patti Vesely, a valued city council member and Parowan citizen. She expressed appreciation for Patti's caring spirit and contributions to the community for many years.

Public Hearing on Rural Done Right - The public hearing focused on proposed changes to the municipal code related to the city's "Rural Done Right" land use initiative. The City Manager explained the need for a second public hearing due to significant changes made after the initial hearing in the Planning Commission. The key change was the reintroduction of townhomes as a permitted structure in the R3 zoning district. This addition included specifications for lot sizes (initially 2,500 square feet, later corrected to 3,000 square feet and building design characteristics.

Public comments during the hearing highlighted concerns about the accessibility of the updated code documents and the need for more complete notice information and packets for public meetings and hearings. Heather Peet emphasized the importance of preserving Parowan's small-town character while addressing affordable housing needs. She presented alternative housing options, including smaller manufactured homes, to increase housing availability.

UDOT Transportation Study for South I-15 Interchange - The council discussed and approved a \$5,000 match for a UDOT study of the South Interchange Frontage Road. The City Manager presented the rationale for the study, highlighting traffic concerns and the need for potential realignment of the frontage road to improve access to new commercial businesses in the area. The council recognized the long-term need for a redesign of the interchange itself.

Hargett Property Sign Request - A property owner, Dwight Hargett, requested permission to place a sign on his former property to advertise his new business. This request was tabled due to the lack of specific details regarding sign size and location.

Steve Decker Appointed to Historic Preservation Committee - The council unanimously approved Steve Decker's appointment to the Historic Preservation Committee.

Rural Done Right Proposed Ordinance Language - The council discussed the "Rural

BUDGET SUMMARY

YEAR	STATE OF UTAH	IRON COUNTY	SCHOOL DISTRICT	CEDAR CITY	COUNTY POPULATION	INFLATION RATE

IRON COUNTY GOVERNMENT RECAPS

Done Right" language and the direction for the final ordinance. Council members debated the inclusion of townhomes in the R3 zoning, with differing opinions based on community feedback and the need for affordable housing. The discussion involved a detailed analysis of density concerns, design preferences, and the potential impact on Parowan's character. The City Manager clarified the subtle differences between townhomes and fourplexes, emphasizing the density implications of each. The council ultimately decided to have the City Manager prepare two draft versions of the ordinance, one with and one without townhomes, for further consideration at the next meeting.

Council Reports and Updates - The meeting concluded with additional reports and updates from council members and staff, including discussions about community service projects, infrastructure projects, and plans for celebrating America's 250th anniversary. The meeting adjourned after a closed session to discuss real property matters.

Residents are encouraged to attend City Council Meetings on the second and fourth Thursday of each month at 5:30 p.m. at the Parowan City Council Chambers. Alternatively, live meetings can be viewed at <https://www.youtube.com/@parowancity2030>. Previous meetings can be viewed at the same web address.

CEDAR CITY MAN

« CONTINUED FROM PAGE 7

selling over the past month, he was charged for the one count above," the affidavit stated.

Case Two: Enticing a Minor and Harmful Materials

In the second case, Button was arrested after he began communicating with an undercover agent posing as a 16-year-old girl on Facebook.

According to the affidavit filed in 5th District Court in support of his arrest, Button initiated the conversation, which quickly turned explicit. He sent the agent photos of his genitals and asked for nude images in return, making repeated sexual requests.

Button later moved the conversation to Snapchat, a platform known for disappearing messages, which agents believed

he did to avoid detection. During the investigation, agents obtained a search warrant for Button's home and vehicle, where they discovered a prescription for suboxone — a drug used to treat opioid addiction — along with illegal anabolic steroids, THC products, and drug paraphernalia.

"Agents located a prescription of suboxone with his name on it, since he was trying to sell it, we took it as evidence. We located an anabolic steroid that is not sold in the US and is illegal to possess a schedule 2 drug," court documents state. "We located THC products and another substance in a vile that will need to be tested. In Taylors car we located a straw used for smoking drugs and other paraphernalia."

Repeat Offender with a Lengthy Record

Button's criminal record, which dates back to 2016, was a

key factor in the prosecution's decision to seek a prison sentence. Court documents show his history includes five prior offenses for distributing controlled substances, as well as charges for burglary and weapons violations.

Following Button's sentencing, Iron County Attorney Chad Dotson called out the devastating impact of fentanyl in Utah and throughout the country.

"Fentanyl has become a deadly scourge across the nation, driving an unprecedented wave of overdose deaths and leaving devastation in its wake," Dotson said. "In Utah, communities are facing the same crisis, as this powerful synthetic opioid continues to take lives, destroy families, and overwhelm first responders and treatment providers."

Utah Food Bank Awarded \$5,000 from Leavitt Group through Liberty Mutual Insurance and Safeco Insurance 2025 Make More Happen Awards

Supporters Can Help Double the Donation to \$10,000 by Voting for their Agent Giving Story

from Paige Sclar

TILSON PR

Cedar City, Utah
(April 28, 2025) —
Liberty Mutual and

Safeco Insurance have awarded Leavitt Group a 2025 Make More Happen Award for its partnership with Utah Food Bank, a nonprofit organization dedicated to fighting hunger statewide through food distribution, education and community empowerment. The award includes an initial donation of \$5,000 for Utah Food Bank, which can be doubled to \$10,000 by having community supporters vote online.

Starting May 5, the Leavitt Group and Utah Food Bank community story will be highlighted on the official Make More Happen microsite at <https://www.agentgiving.com/leavitt-group>, where supporters can vote to help the team reach their donation goal. If the featured story receives a mix of at least 500 votes and comments, the \$5,000 donation will be raised to \$10,000. The funds would make a significant impact on Utah Food Bank's Mobile School Pantry program, a cost-effective food distribution point for children and their families which serves thousands of children and their families. The \$10,000 donation would expand the reach to more schools and improve access to fresh produce and healthier

food options that are essential for growing children.

"Helping to make our community a better place has always been important to our team, and Utah Food Bank has given us a way to make a real difference," said Melanie Johnson, chief marketing officer at Leavitt Group.

"We are grateful to Liberty Mutual and Safeco for providing much-needed funds to continue their impactful work and thrilled at the opportunity to double the donation by calling on the community to show their support."

Joe Callister, Leavitt Group's chief operating officer, added, "Each month several of our employees have the opportunity to volunteer at an elementary school to distribute food bags from Utah Food Bank. This hands-on involvement not only enriches our team's experience but also deepens our connection with the community. We love helping these kids and their families, and we appreciate the support from Liberty Mutual and Safeco in this effort."

Leavitt Group has been a long-time supporter of Utah Food Bank, providing a \$15,000 annual donation towards the Mobile School Pantry Program at Three Peaks Elementary and East Elementary. Additionally, the Leavitt Group team regularly volunteers at local elementary schools, handing out bags of food to students in need as part of the program.

"Recognizing independent agents' dedication to their communities and nonprofit partners is what the Make More Happen Awards are all about," said Tracy Connole, Liberty Mutual Senior Territory Manager. "Leavitt Group is an outstanding example of how agencies can make a real difference, and we hope sharing their story inspires others to give back as well." Throughout 2025, Liberty Mutual and

Safeco Insurance will select up to 36 independent agencies nationwide for a Make More Happen Award, donating up to \$360,000 to nonprofits they support. Agencies become eligible for the award by submitting applications showcasing their commitment to a specific cause.

About Liberty Mutual Insurance

At Liberty Mutual, we believe progress happens when people feel secure. By providing protection for the unexpected and delivering it with care, we help people embrace today and confidently pursue tomorrow.

In business since 1912, and headquartered in Boston, today we are the ninth largest global property and casualty insurer based on 2024 gross written premium. We also rank 87 on the Fortune 100 list of largest corporations in the US based on 2023 revenue. As of December 31, 2024, we had \$50.2 billion in annual consolidated revenue.

We employ over 40,000 people in 29 countries and economies around the world. We offer a wide range of insurance products and services, including personal automobile, homeowners, specialty lines, reinsurance, commercial multiple-peril, workers compensation, commercial automobile, general liability, surety, and commercial property.

For more information, visit www.libertymutualinsurance.com.

About Safeco Insurance

In business since 1923, Safeco Insurance sells personal automobile, homeowners and specialty products through a network of more than 20,000 independent insurance agencies throughout the United States. Safeco is a Liberty Mutual Insurance company. You can learn more about us by visiting www.Libertymutualinsurance.com and www.Safeco.com

CEDAR CITY AIRPORT RIBBON CUTTING

Cedar City Council, City & State Officials, Aviation Board, Contractors, Architects, Distinguished Guests, cut "Ribbon" at Cedar City Regional Airport grand opening.

by May Hunter

FOR IRON COUNTY TODAY

The grand opening of the newly expanded Cedar City Regional Airport terminal was celebrated with a ribbon-cutting ceremony on Monday May 5, 2025. After 12 long months of construction the Cedar City Regional Airport project was finally finished. The newly expanded larger passenger holding area was packed with elected officials, airport and city staff, civic leaders, guests and spectators. The ceremony, held at the airport on 2560 Aviation Way, Cedar City hosted city and airport officials, including Airport manager, Tyler Galetka, and was open to the public. The new expansion project included many improvements like a larger passenger holding area, new restrooms, an upgraded top of the line security and checkpoint. Also, included new concession and vending area, upgraded baggage claim, animal relief area, and

extra gate. This \$5.5 million expansion was made possible largely through funding from the Federal Aviation Administration and Cedar City providing the critical matching funds that helped move this project forward.

R. Scott Phillips, member of the Cedar City Council and also serves on the Aviation Board, took a moment to recognize and thank several distinguished guests who attended such as Senator Curtis and Lee's office in attendance,

Cedar City Mayor
Garth O. Green

Cedar City Airport Manager,
Tyler Galetka

representatives from Congress woman Maloy's office, Senator Evan Vickers, State Representatives Rex Shipp and Carl Albrecht, and Iron County Commissioners Mike Bleak, and Ken Robinson. He also thanked everyone in attendance and the many hands who made the project possible. From the architects, contractors and subcontractors to the hardworking city staff and the amazing and dedicated

airport team led by Airport Manager Tyler Galetka.

"We are committed to providing a safe, secure, and comfortable environment for the thousands of you who travel through this airport each year. We hope whoever you are, when you are flying in and out of Cedar City Regional Airport, you take a moment to witness the beauty and majestic wonder that surrounds all of us in southern Utah.

Did you know that this airport is the third busiest in the state of Utah. Not only do they welcome daily commercial flights operated via Sky West with Delta Airlines but they also serve as a hub for general aviation for many private aircraft,

a wildfire-air tanker base for wildfire suppression throughout the region, a fixed base operations in Gate One, Fed Ex and UPS air cargo operations, aircraft maintenance, and many other industry related functions.

We are also proud to be home to Southern Utah University's Aviation Program—one of the largest, if not the largest, university-affiliated aviation programs in the country. This makes our regional airport a critical component of aviation training and workforce development in the United States.

Soon we will welcome elements of the Utah Air National Guard Service in our field, further cementing our place in the important role of aviation development for training, protection and defense of our country.

Cedar City Mother Pleads Guilty to Child Abuse Charges, Spares Victims Trial

by Tracie Sullivan

FOR IRON COUNTY TODAY

A Cedar City woman has pleaded guilty to felony charges in connection with a series of crimes involving child sexual abuse, bringing a troubling case one step closer to resolution.

Angelica Moody, 44, entered her plea last week in Fifth District Court, admitting to charges that included sodomy on a child and aggravated sexual assault — both first-degree felonies. The charges stem from an extensive investigation by the Iron County Sheriff's Office.

Prosecutors initially charged Moody with 17

offenses, including 11 first-degree felonies for sodomy on a child, aggravated sexual assault, and incest. The remaining charges included second- and third-degree felonies and misdemeanors, among them bestiality.

Her guilty plea comes months after her husband, Aaron Moody, received a sentence of 25 years to life for sodomy of a child and 15 years to life for aggravated sexual abuse of a child. The judge ordered the sentences to run consecutively, reflecting the severity of the crimes.

Authorities first arrested the couple on October 25, 2023, following reports of child abuse. Afterward, Moody's attorneys requested a competency evaluation to determine if she could stand trial. An independent examiner concluded she was competent.

According to court documents, Moody cooperated with investigators, providing detailed disclosures about her and her husband's actions. She also participated in a recorded phone conversation with Aaron Moody, during which he acknowledged some of the allegations.

The investigation revealed allegations of sexual abuse, drug use with minors, and other criminal conduct spanning from 2020 to 2023. Interviews with the victims at the Children's Justice Center further corroborated the details of the abuse, according to the affidavit.

Editor's Note: This story has been carefully written to avoid providing explicit details of the alleged actions, maintaining the privacy and well-being of the victims.

RIBBON CUTTING

« CONTINUED FROM PAGE 11

Cedar City Regional Airport boasts the second longest runway in Utah, allowing it to handle larger aircraft and more diverse operations. It is also the closest commercial airport to several of Utah's breathtaking national parks. We are completing a much anticipated and updated Airport Master Plan which suggests increased air travel, more added security, land expansion of the airport and an air-traffic control in the future. We have recently re-built and surfaced the entire main runway and are working on improving and updating their taxi ways. All of this points to a bright future for the airport and its operations.

Cedar City Regional is truly your airport-serving as the gateway to Utah's National Parks, Southern Utah University, the many cities and towns of southern Utah, the manufacturing and corporations located here, and the incredible beauty of the American Southwest. Cedar City Regional is your airport!"

"To all those in attendance—your presence underscores what this airport truly represents—it is not just Cedar City's airport. It is our region's airport, the Cedar City Regional Airport built to serve and support all of us" —R Scott Phillips.

Mayor Garth O.Green added a few words about his vision for our airport and its economic vitality to the region. He commented the project as an investment in the city's future and how it would make the travel experience of passengers much improved. As Cedar City grows so must the airport grow to accommodate more air travel. The progress, such as the airport expansion, is what helps small cities thrive and build more confidence in our community.

ARTS + ENTERTAINMENT IN IRON COUNTY

BACH AND THE "LARK ASCENDING" FOR *Spring Recital*

by Sara Penny

CEDAR CITY ARTS COUNCIL

You are invited to a recital of Bach and Vaughn Williams on Saturday, May 17, at 7 p.m. at the SUU Music Building. It is a free event and the public is invited.

Dr. Ling Yu, violist, is hosting a community recital. She will be playing a Bach Suite for cello, transcribed for viola. Peter Firth will play a Bach Prelude and Courante for violin. Sara Penny and Sally Hunter Jensen present the Bach E Major Violin Concerto with dancers from the John Mead Dance Company. Kasey Hinton will play the Lark Ascending by Ralph Vaughn Williams with Jensen.

Dr. Yu has performed extensively with the Orchestra of Southern Utah as well as in her native China. Her doctorate of Viola Performance is from the University of Utah and she teaches viola at SUU. She also helps with the Canyon View Middle School Orchestra and teaches for the dual immersion Chinese program at Fiddler's Elementary School.

The John Mead Dance Company (JMDC) is a new professional dance company in Cedar City. Four dancers from the company will be featured in our recital performance: Delaney Deutschlander, Kloë Giles, Adeline Lawlor, and Mei Chian Lim. JMDC will be presenting their debut performance at the Heritage Theater in October this year and have received a

Mini-grant from the Cedar City Arts Council to help with expenses. Mead is a professional choreographer and dancer who was previously a company member of the Repertory Dance Theater (RDT) in Salt Lake City and the founder and Artistic Director of his own dance companies in both New York City and Singapore.

Sally Hunter Jensen is an accomplished accom-vocalist, pianist actress. She will be one of the pianists for the rock musical Tommy with the

Jensen is plished and

Peter Firth
playing violin

American Crossroads Theater this summer and was recently seen in "Into the Woods". She has performed extensively in community theater as well as at the Utah Shakespeare Festival and SUU. She is the Membership Director and Administrative Assistant for the Cedar City Arts Council.

Kasey Hinton plays in the Orchestra of Southern Utah on violin or viola, as needed. He is a computer programmer with the Leavitt Group and has enjoyed music as an avocation. He and his wife Courtney have three children.

Peter Firth began playing the violin shortly before his 5th birthday, with his initial teacher Sara Penny. He has also studied under Amy Gold and Lindsay Szczesny, with his current teacher being Dr. Xun Sun. Peter also enjoys playing the flute with two Cedar Middle School bands. He is the youngest of 6 siblings and he raises chickens in his spare time.

Sara Penny also plays in the Orchestra of Southern Utah and serves on the Board. She is the Vice-President of the Cedar City Arts Council and directed Suzuki Strings Cedar City for 36 years. She was recently honored for her service to the arts by the Cedar City Chamber of Commerce.

Reading real books matters

by Samuel Wells

CCAC BOARD MEMBER

Since you are reading this newspaper, there is a pretty good chance

that you also read books. I don't mean that you listen to books or scroll through text on your phone. I mean that you read real paper books. And because you read books, it is possible that you take a few things for granted. For example, it is likely that your vocabulary is above average as is your ability to express yourself. You probably understand what educated people are talking about and can engage more fully in public discourse. And it is likely that you can concentrate better than those who don't read books.

These are significant advantages that we identify by the word literacy. Unfortunately, there are more and more Americans who are not literate. Educators, journalists, and other scholars are starting to write more frequently about the growing reading crisis in our schools. The crisis is certainly telling in our K-12 classrooms. But the problem that is capturing headlines is stemming from our colleges and universities. More and more students are graduating, with diplomas in hand, without being able to get through a book.

Scholars argue over how much of this is an educational problem or a social problem. As an

educational problem we find many schools that have sacrificed reading time, and other reading priorities, for technology and other STEM programs. This is understandable. Our need to equip our children with technology is essential for their future success. I don't see anyone seriously arguing to limit these programs. But when we do so by sacrificing a culture of reading in favor of more screen time, we are making a Faustian bargain.

As a social problem, illiteracy runs deeper. Our graduates are so accustomed to scanning screens that they miss simple concepts that are expressed in just moderately long sentences. They skip over words that they don't understand, sometimes

missing critical pieces of information. Maybe most serious of all is their overall impatience: with details, with rewards,

even with the driver in front of them on the highway. These deficiencies have very large societal impacts indeed.

Professionals on the front lines of this crisis make a distinction between reading casually and

reading deeply. Literacy demands of us that we engage with the larger themes of society that are written in important novels and in nonfiction books. There is nothing wrong with reading Dr. Seuss or Louis L'Amour. I enjoy both a great deal. But my pleasure in reading them does not make me literate. Literacy is something that we must work at all of our lives. The world changes and so must our ability to navigate the inevitable nuances and ambivalences that surround us on all sides. I don't know all the ways out of this malaise, but I do know that each one of us readers needs to remember, from time to time, just how important books are. And when we do, we need to talk to each other and to our associates about why they matter.

Parowan's Long-Lost but not Forgotten Fort

PART 1

by John Byron Turner

FOR IRON COUNTY TODAY

I think I was about 7 years old when I had a thing about building forts. I must have built a dozen or more forts throughout my childhood with help from neighborhood kids at the time, and somehow, we figured these fortifications were helping us keep away marauders, but truthfully most of them were really just holes in the ground, covered with a few tree branches. Once I got into my teens, building forts seemed less important and as I became a working adult fort building could have been a bit embarrassing, and so it became a thing of the past, but I have always had a soft spot in my heart for a good fort.

At some point in time, I learned that my adopted home town of Parowan actually started off as a fort, back in 1851, and I soon discovered that there is a monument telling the story of the Fort by the Fire Station on 200 South which I have driven along for many years without ever noticing it. Parowan has many other stone and brass commemorative monuments throughout the city, also telling the story of our pioneer past. Our Fort

was ordered to be built by Brigham Young because the first settlers in 1851 had no idea what to expect when they took up residence on this land occupied by the Southern tribe of the Paiute Nation, native to this land.

The area was first called Center Creek and the original settlers of Parowan actually lived within a walled enclosure that was located on an approximately quarter-mile square area on the southeast portion of the present-day city. There are four cornerstone monuments that mark

the location of the four corners of that Fort. As it was told to me by several long-time residents, the early population of Parowan tended to be somewhat transient because the settlement of the Southern Utah area, once called Deseret Territory, was just the beginning of this Westward movement and President Young was regularly relocating the early settlers to other locations in the South of the Territory of Deseret to begin other settlements that have now become so

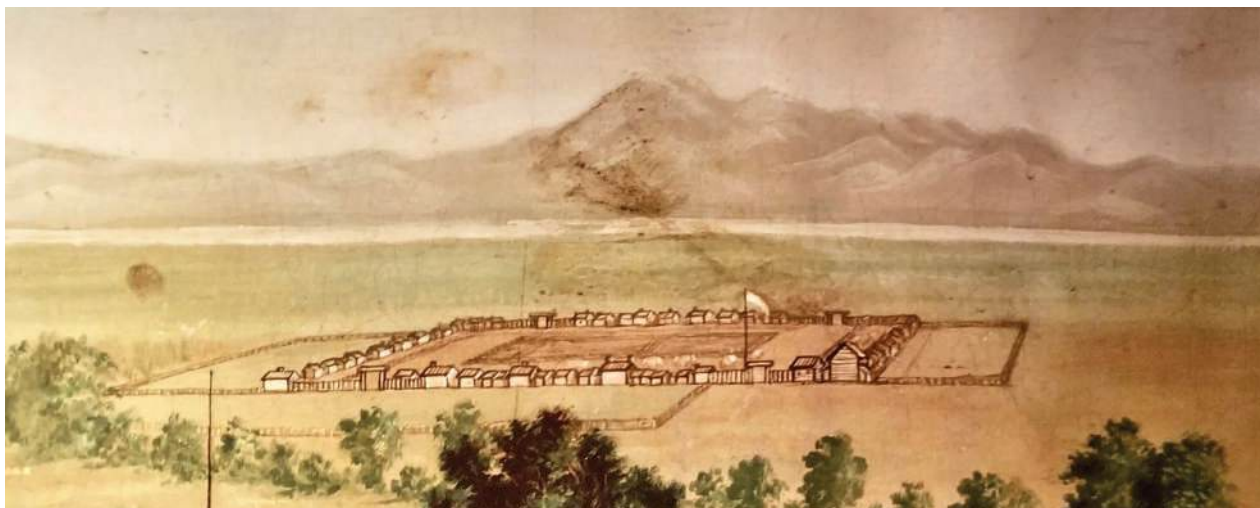

many of the present-day towns, we see throughout the State.

Accurate record-keeping was not a strong point in those early days, and I soon realized that the documentation from those days tended to be sketchy and varied, so it is difficult to rely on one source of information and my research is a compilation of several sources.

We can't lose sight of the fact that we settled this land with the best of intentions and the belief that God was on our side. At that time in our history an east coast newspaper editor named John O'Sullivan coined the term **Manifest Destiny** to describe the belief that US Citizens did indeed have a God-given right to this fast-growing country from the Atlantic to the Pacific coast and that inspired a variety of measures that would go on to eventually destroy most of the native population, also including the slogan "Go West Young Man" not our finest hour to be sure.

The original name of the Fort was Fort Louisa, said to be named after the first plural wife of Joseph Smith. I found no records to show that the Fort ever came under assault, however, as the pioneers settled in, they grazed

The deadline is Friday at noon. The calendar is not to be used for advertising. Items will be printed at our discretion.

obituaries

Joseph Dalton Benson

Joseph Dalton Benson (93) passed away peacefully on Monday, May 5, 2025 at Beaver Valley Long Term Care surrounded by his family. Joe was born July 2, 1931 in Parowan, Utah to Florence and Edgar Benson. He was the youngest of eight children: Pearl, Ora, Iva, Kathleen, Leon, Utahna and Bonnie. Joe loved his hometown and the people there.

Joe learned to work hard at an early age. At the age of five he tried his hand at milking cows and did so well (14 cups from one cow) he got his own bucket to milk in as a reward. From then on

he fulfilled his responsibility of working alongside his dad on the farm and helping tend the sheep herd at age 10. Joe attended Parowan High School where he was involved in FFA, Football and Basketball. It was there he met his sweetheart, Gaytha Lamoreaux Benson. They were married on June 30, 1950 in the St. George Temple. Together they raised four children: GayLynn, Katy, Julie and Joey.

The Bensons made their home in Parowan, Utah until they moved to Beaver in 1961. Joe was assigned to Beaver as a Utah Highway Patrolman and the couple decided to make the move and live in Beaver for "just a couple years" with the intent of moving back to Parowan. 64 years later, they still call Beaver their home.

Joe and Gaytha worked side by side on the farm and later as they owned and ran the DeLano Motel together. Dad loved gardening and together with Gaytha, raised a beautiful vegetable garden each year. He was an avid hunter, harvesting his first mountain lion at the age of 11 and filling his last deer tag at 88.

Dad loved the mountains, hunting, fishing, hiking and the family cabin. He instilled a love of nature in all of us. He helped us recognize and appreciate God's creations. He loved sunsets, starry nights and the views from his favorite hunting spots.

Joe served as a Utah Highway Patrolman for 27 years. In that time, he gave many "the only speeding ticket they ever received in their lifetime". He served the community unselfishly. Many years being on call 24/7. He loved the communities he served and the officers he served with.

Dad's retirement years were spent with his buddies at his side. Fishing trips with the grandkids, road trips with his sweetheart and relaxing at the family cabin often with a chipmunk eating out of his hand. He looked out for his neighbors and friends. He served silently, seeing a need and quietly addressing it.

Joe is survived by his children, Katy (James) Robinson, Beaver UT; Julie (Destry) Labrum, South Ogden, UT; and Joe (Esther) Benson, Beaver UT; and Brother in Law, Duane (Sonya) Lamoreaux. He is grandpa to 12 and Great Grandpa to 18.

Joe is preceded in death by his sweetheart Gaytha Lamoreaux; Daughter, GayLynn Starr. Parents, Edgar and Florence Benson. Sisters, Pearl Benson, Ora Davis, Iva Shook, Kathleen Rose, Utahna Orton, Bonnie Lavotti and brother Leon Benson.

The family would like to thank the Nurses and Aides and staff at Beaver Valley Long Term Care as well as the Doctor, Nurses and Aides at Beaver Valley Hospital for the loving care and friendship. In lieu of flowers the family requests donating to Beaver Valley Long Term Care or simply holding your loved ones close and making memories.

A funeral will be held Tuesday, May 13, 2025 at 1:00 pm. Viewing will be held that morning from 11:00 to 12:30 at the Beaver Third Ward Chapel, 220 North Main, Beaver, Utah. Interment will be held at the Mountain View Cemetery. Services are available live stream via Zoom at _____

Family and friends are invited to share tributes online at www.SerenityStG.com. Arrangements and memorial tree planting under the direction of Serenity Funeral Home of Southern Utah, (435) 986-9100.

obituaries

Jeanne White Matheson

JEANNE WHITE MATHESON died on May 3, 2025 incidental to a stroke. She was born September 13, 1948 in Cedar City, Utah to Herbert Dalley White and LaRue Orton. She joined her brother, Dee White who was nearly eighteen years older. When she was 7, Dee married Shirley Robinson changing the dynamic of their family. She grew up in Summit, Utah and usually enjoyed the small town life.

Jeanne married Vernile Matheson in 1983 after practice marriages to Glen Pryor and John G. Pensis. They were later sealed in the Ogden Utah Temple. With her marriage to Vernile she acquired a bonus family of 5 children who

ultimately blessed them with 23 grandchildren, 37 great grandchildren and 1 great-great grandchild.

Jeanne was a proud Cedar Redman, a CSU (now SUU) Thunderbird and a University of Utah Ute having graduated from each school triumphantly.

Jeanne was an educator in many capacities. Her first job after graduating college was as an English and psychology teacher as well as the Speech and Debate Coach at Cedar High School. From there she taught at Randolph High School as a counselor, special education teacher and taught Honors English. T H Bell Junior High School in Washington Terrace was her next educational stop where she had many challenges and success as a counselor. She ultimately went to the Weber County School District in the counseling office. She also taught classes at University of Phoenix, Salt Lake Campus.

She was an involved member of the Church of Jesus Christ of Latter-day Saints. She loved the mission she and Vernile served in their home Stake. Primary children enriched her life and she theirs. She loved serving in the Bountiful Utah and Layton Utah temples and was devastated after her stroke to take a leave of absence from serving in Layton.

Jeanne was a lover of family: both the family into which she was born, the families she acquired by marriages and the friends she "adopted" into her family along the way. She was a collector of friends, lunch dates, figurines, Nativities, Keds, Teddy Bears, Snoopy, felt tip pens, sand Holiday Decorations, especially Christmas and Halloween. She loved chocolate, Coca Cola, shopping (especially sales), Noxzema, University of Utah football, Utah Jazz, Gentry, The Chosen, the colors Orange and Red, road trips, hot bread, comfort food, live theatre, and concerts from Ozzy Osborne to the Utah Symphony.

She is survived by her Sister-in-law, Shirley R. White of Summit, Utah, 6 nieces and nephews, 21 great nieces and nephews and 58 great-great nieces and nephews.

Jeanne was preceded in death by her husband Vernile, her brother, Dee, and her parents.

We acknowledge the Joey and Kim De Los Reyes family of Layton who was her informally adopted son. Their help both before and after Vernile's passing has been invaluable. They along with other close neighbors have been loving hands and watchcare especially in the 8 months since Jeanne's stroke. We are also so very grateful to the loving care of Suzy, her "nanny" from December 2024 through her recent hospitalization.

A viewing will be held May 12, 2025 at Walker Mortuary (45 W 200 N, Morgan UT 84050) from 6-8 pm. Funeral services will be held May 13, 2025 at a Layton Church house (3250 N 1050 E, Layton UT 84040) at 11 am with a viewing prior to the services from 9:30-10:30 am.

Garth Odell Bryant

Garth Odell Bryant was born on September 28, 1940, in the old hospital at 200 West and 200 South in Cedar City, Utah. Surrounded by his large and loving family, Garth was called home to Heaven on May 5, 2025, to prepare a place for his beloved wife, Dianne, and their posterity.

Garth was sealed for time and all eternity to his childhood sweetheart, Dianne Irene Wallace, in the St. George Temple on July 23, 1961. Their love and devotion to each other remain a lasting legacy to their family.

A proud graduate of Cedar City High School's Class of 1959, Garth later earned a bachelor's degree in Special Education from Utah State University in 1980. He served honorably in the United States Air Force for 20 years, with assignments in Texas, Utah, and Okinawa, Japan. After retiring from military service, Garth continued to serve his community by teaching in the Lincoln County School District in Nevada.

Garth had a deep love for his family, the outdoors, and his heritage. He enjoyed deer hunting, picking pine nuts, coin collecting, and spending time at the family farm and ranch on Smith's Mesa. He was an avid wrestler in his youth and later coached wrestling with passion and dedication. Garth and Dianne also shared a love for square and round dancing, forming cherished memories with friends and family.

A devoted member of The Church of Jesus Christ of Latter-day Saints, Garth served faithfully in many callings, including as an ordinance worker in the Cedar City Utah Temple.

Garth and Dianne have a vast posterity, including their children: Mark Bryant (Karen) of La Verkin, Utah; Kendall Bryant (Michelle); Coy Bryant (Caroline) of Santa Clara, Utah; Kelly Bryant (Sandy) of Bunkerville, Nevada; and their daughter, Ahmikim Bryant (Jason Halverson) of Park City, Utah. Together, they have 16 grandchildren and 26 great-grandchildren.

Garth is survived by his loving wife, Dianne Irene Bryant of Cedar City, Utah, and his sister, Pamela Bryant Batt (Russell) of Cedar City.

He was preceded in death by his parents, Odell H. Bryant and Irene Heap Bryant; siblings Dawna Bryant Isom, Terry H. Bryant, Linda Joy Bryant Goble Tait, and Patricia Bryant Lee; sons Kendall O. Bryant and Kelly Dean Bryant; daughters-in-law Caroline Ball Bryant and Leila Zemanek Bryant; and grandson Carter James Bryant.

Funeral services will be held at 11:00 a.m. on Saturday, May 17, 2025, at the Greens Lake Chapel of The Church of Jesus Christ of Latter-day Saints located at 1120 W. Greens Lake Drive, Cedar City, UT 84720. A viewing will be held on Friday, May 16, from 5:00 p.m. to 7:00 p.m., and again on Saturday morning from 9:30 a.m. to 10:30 a.m. at the same location. Interment will follow in the Cedar City Cemetery under the direction of Southern Utah Mortuary. To view the livestream of the service and share online condolences, please visit www.mortuary.org.

Stacey Middleton

March 29, 1963 – May 3, 2025
Stacey Middleton, 62, passed away on May 3, 2025, in Washington, UT, where she proudly made her home in her later years. She was born on March 29, 1963, in Cedar City, Utah, to Gary and Marva Middleton. Though her early years took her through a handful of cities—Las Vegas, Lander, Battle Mountain, and Houston—Stacey returned to Cedar City while still a

young girl. It was there she settled into the rhythms of childhood, attending elementary and continuing through high school, growing up surrounded by the red hills and close-knit spirit of her hometown.

Stacey's professional life reflected her deep care for others. She started at Cedar Pack, held various service roles including as a waitress, and later contributed to the Paiute tribe in financial and administrative work. Her most significant career chapter was with the Social Security Administration, where she dedicated many years to helping people navigate important life needs.

Outside of her professional life, Stacey was passionate about writing, using her beautiful penmanship to craft stories and poetry. She was also skilled in crocheting and enjoyed tackling DIY projects around the house. Stacey loved the outdoors and cherished visits to the family cabin. A true Rock Hound, she had a special fondness for rock and arrowhead hunting and could often be found exploring the natural world.

Stacey will be remembered for her radiant smile, infectious laughter, and witty sense of humor. She also had a love for Diet Coke and Granny B's pink cookies, both of which brought her joy.

She is survived by her mother, Marva Carter Middleton; her brother, Jeff Middleton; her daughters, Amber Ashdown, Whitney Ashdown, Samantha Nay, and Savannah Byars; three nieces; fourteen grandchildren—Brielle, Jaycee, Kyson, Elijah, Melea, Nation, Gabe, Grae, Brennen, Lennox, Emerson, Haven, Graci, and Brayden; two great-grandchildren; and many cherished friends who were family in all but name. She was deeply involved in the lives of her grandchildren, especially those she helped raise and support closely.

Stacey was preceded in death by her father, Gary Middleton; her brother, Michael John Middleton; her son, Brennen Ashdown; her daughter, Chyanne O'Connor; her grandson, Journey Ashdown; and her paternal grandparents, John and Afton Middleton, and Ward and ReVou Carter.

A viewing will be held at HeartLight Funeral Services on May 17, 2025, from 11:00 a.m. to 1:00 p.m., followed by a graveside service at Cedar City Cemetery at 1:30 p.m.

history

FORT

« CONTINUED FROM PAGE 16

their cattle, horses and livestock all around the settlement. Although there were never any documented attacks on the new settlement by the Paiutes, they found it very easy to grab the grazing livestock after sundown right under the noses of the settlers. From what I read, that was somewhat the actual inspiration for putting up a Fort structure in order to keep their cattle safe

within its new walls, much more so than any conflict with the native population. So, the livestock were herded into the Fort each night to keep them safe. Within the walls of the Fort the settlers also brought a cannon, named Old Sow, that sat in a bastion in one corner of the Fort.

Well, it seems we have run out of space, ink and words this week, so I have been asked to come back in the next issue of your newspaper and continue this spine-tingling tale of a long-lost fort here in Parowan. Stay tuned and check back next week for the rest of the story.

Cedar City's New Charter School Sees 18% Enrollment Growth in First Year

by Daniel Bazan

COMMUNICATIONS DIRECTOR APA

Cedar City, UT — Do you know what your kids are learning? At American Preparatory Academy (APA) Cedar City, it might surprise you. First graders can rattle off all 50 states from memory. Fourth graders confidently recite Longfellow's Paul Revere's Ride. Fifth graders diagram complex sentences with the precision of college students. Every middle school class is taught at an "honors" level, setting the bar high for students equally recognized for their character and academics. From classical literature and Latin to etiquette, public speaking, and patriotic assemblies honoring veterans, APA students are mastering the foundational academic and ethical tools many parents feared were disappearing from modern education. Cedar City parents invited APA to their community in 2021 to fill an educational void. After years of determined effort, the APA Cedar campus is thriving in its first year, delivering on the promise to elevate the minds and hearts of Iron County's youth.

In its inaugural 2024–25 school year, APA Cedar City has seen impressive growth, with student enrollment climbing 18% from fall to spring. This increase signals

strong community support and growing recognition of APA's classical, character-focused education model.

Though the school officially opened its doors in August 2024, its story began years earlier with the vision of concerned local parents. After relocating from Salt Lake County in 2019, one parent quickly noticed the limited public education options in Iron County. A former charter school educator, he began gathering like-minded families seeking an academic environment rooted in tradition, structure, and high expectations. This grassroots movement led to the formation of Cedar Charter Holders, a nonprofit group that initiated the charter approval process.

"We wanted to create something special in Cedar City—a school that combined rigorous academics with meaningful character development," said Karen Thelin, a founding board member and local parent. "Our goal was to offer families a choice that values patriotism, virtue, and a love for learning."

Originally authorized under Cedar Charter Holders, the school transitioned operations to Utah Charter Academies (UCA) in early 2025 to ensure long-term sustainability. Under this partnership, APA Cedar City has benefited from the

experience and resources of a network that supports thousands of Utah students across multiple campuses.

Located at 782 N. Main Street, the tuition-free K–8 charter school opened with approximately 200 students but will accommodate up to 300 as it grows. Enrollment demand has steadily increased thanks to strong word-of-mouth and community outreach efforts, including weekly informational meetings and school tours.

APA's academic model is distinctive. The school emphasizes leveled learning in core subjects like reading and math, ensuring students are challenged at the right level. Class sizes are small, with a teacher and paraeducator in every elementary classroom. A comprehensive Character Development program is woven into daily activities, teaching students etiquette, communication, and civic responsibility. Middle school students study Latin, learn cursive, and explore classical literature—all part of a curriculum grounded in the pursuit of truth, beauty, and moral character.

The growth APA Cedar City has experienced is not by accident. Community members, volunteers, and the Cedar City Governing Board have played key roles in the school's success.

Early efforts by Iron County families to petition for more school choice led directly to APA's arrival. Partnerships with local leaders helped make the school a reality, and parent volunteers continued to support school events and culture-building activities.

Like many new schools, APA Cedar City has brought a new perspective to education in Iron County, training new staff on the "APA Way." This is truly what makes American Prep different from other charters and public schools. Staff from other American Prep schools frequently travel the 4 hours south from Salt Lake and Utah County to mentor, teach, and observe our first-year Cedar staff.

"Our educators are students too," said one APA administrator. "We're constantly learning, improving, and building something that will serve Cedar City families for generations."

With its strong foundation, growing enrollment, and enthusiastic support from Iron County residents, APA Cedar City has found a welcome home for families seeking a challenging educational program.

For enrollment inquiries or to schedule a tour, visit www.americanprep.org, call 385-217-4108 or email ffodorroderick@apamail.org.

IRON COUNTY SCHOOL DISTRICT NEWS NUGGETS

by Colby Leavitt

FOR IRON COUNTY TODAY

Fiddlers Canyon Elementary

Our Color Run May 2 was a huge success! Thank you to Char Holdeman and everyone else who helped make the event so special. Kids had a great time, and we were able to raise money to help the PTA keep making Fiddlers a great place to learn and work.

Three Peaks Elementary

PTA decorated the faculty room like a pirate ship for teacher appreciation week, May 5–9, 2025. They also provided daily treats for the staff and provided everyone with a chance to win gift cards. We love our PTA and appreciate all they do to celebrate our school!

3rd grade students participated in their annual egg drop on Thursday, May 9. Each student carefully created a wrapping around a raw egg in hopes that it would survive the drop from the school's roof. Amazingly, some eggs made the drop without breaking. Thank you to the parents who helped their child participate in this fun adventure and to the 3rd grade teachers for scheduling the event; Kennedee Jensen, Stephanie Abbott, Jaci Gillies, and Jenny Van Blaricom. Also, a special thanks to Mr. Jones for being brave enough to drop the eggs from the school's roof and to the "chicken" who made a special guest appearance to help with the event.

Falcons tame Tigers, advance in 3A playoffs

Canyon View's **C.J. McClellan** watches a pitch during the Falcons' game against the Ogden Tigers on May 9.

by **Tom Zulewski**

FOR IRON COUNTY TODAY

After closing its regular season with consecutive losses, the Canyon View Falcons weren't about to let the disappointment get in its collective head. Where one winning streak ends, another one begins, and CV used the approach to cruise to a two-game sweep in the Super Regional round of the 3A state playoffs.

Price Atwood went 4-for-4 with a double and two triples as the Falcons erased an early deficit and rolled to a 16-2 rout over the Ogden Tigers in Game 2 of the Super Regional played May 9. CV trailed 2-0 after the first inning, but quickly went to work, adding 15 of its 16 runs between the third and fifth. Eight of the Falcons' 16 hits went for extra bases, including six doubles.

"We just kept punching back when they punched us," said Canyon View assistant coach Mike Dedrick. "We never gave up, and that's what we've based this season on."

Atwood finished Game 2 with six RBI and scored four runs as the Falcons improved to 22-5 on the season. Jake

Thomas and C.J. McClellan drove in three runs apiece, and McClellan earned the victory on the mound, holding the visiting Tigers to only seven hits with no walks and six strikeouts.

In the opening game of the Super Regional, Bubba Ludlow went 3-for-5 with a triple, home run and five RBI as CV used a pair of eight-run innings to post a 19-9 rout over Ogden on May 8. The Falcons scored eight runs in the first and added eight more in the third to build a big lead, but Ogden (5-22) found life by scoring three runs in the third, fourth and fifth innings to close the gap to 18-9.

CV got the run they needed in the bottom of the sixth to end the game early when Asher Slack led off with a four-pitch walk, stole second, and scored on a Brady Anderson single.

The Falcons moved on to double-elimination bracket play at the 3A playoffs and opened against Region 12 rival North Sanpete on Monday at Utah Valley University in Orem. The best-of-3 championship series starts Friday at 7 p.m. and the second game happens at 11 a.m. on Saturday.

CV's Sanders signs with SW Oregon hoops

by **Tom Zulewski**

FOR IRON COUNTY TODAY

In the quest to find the right fit for his basketball career at the collegiate level, Canyon View's Felps Sanders saw his opportunity when he found out about the roster at Southwest Oregon Community College, located in Coos Bay. With 12 players from Utah on the roster, it was more than enough motivation for Sanders to sign his letter of intent.

Sanders signed on with SOCC in a ceremony held at the school library on May 7. The senior was a huge part of the Falcons' success as they finished 22-5 overall with a fifth-place finish at the 3A state tournament.

"They had a bunch of Utah guys on the roster and a lot of them went on to the next level," Sanders said of his search process. "I would love to go on to Division I, and this was a good fit."

Sanders tied Canyon

CV'S SANDERS

« CONTINUED FROM PAGE 24

View's single-game scoring record when he poured in 37 points in a 76-66 home win over Manti on Dec. 18, one of three 30-point efforts he had on the season – 31 in a win over Carbon on Feb. 5 and a 32-point performance in a victory over Union in the one-loss bracket at the 3A playoffs Feb. 25.

CV head coach Kim Blackner was appreciative of the work Sanders put in throughout his time on the team, including overcoming a knee injury in his junior season, to get to this point.

"Everyone says they want to play

Division I basketball, but very few kids are willing to put in the time, the effort and the grind to be able to play at that level," Blackner said. "Felps has done all the right things in his career. He's put in the time, he's developed, he does the hard things that are going to be necessary for him to be successful at the next level."

Blackner added that Sanders showed himself as a role model for the younger players in the program so they can see the work required to reach the dream of playing college basketball.

Sanders will serve his LDS Church mission first before joining SWOCC.

Mammoth name deserves special treatment

After a full season of waiting, wondering and voting, the fans have spoken. Our NHL team henceforth and forevermore will be...the Utah Mammoth.

I like it, and judging from the fans who waited in line for hours at the Delta Center to be among the first to grab the new team merchandise last week, the force of approval is strong with the new name.

While the team failed to qualify for this year's Stanley Cup Playoffs – not much you can do when the St. Louis Blues won 12 straight games between March 15 and April 5 to steal everyone's thunder and

slide into the last playoff spot in the West – at least this name change should spark something in the imagination.

Let's face it here. Utah Hockey Club wouldn't have generated much buzz had it found a way to weave through three teams just to get in the postseason door. The name of Mammoth does what's implied – think big and big things will likely happen.

Among the stories that have come out since the name change, mammoths were in this area throughout the Ice Age, and skeletal remains have been found in several locations around the state. On its evening newscasts the day of the announcement, KSL had the story of a small-town museum in Sanpete County – the Fairview Museum of History and Art – that stands to benefit because the replica skeleton of an actual mammoth can be found inside.

The new season is still six months off, but with all the name change stuff and the renovations at the Delta Center going on, I'm excited. Whenever the home opener happens, one actor needs to be there to celebrate the new team name. For those who remember, the animated movie "Ice Age" is the story of several mammals trying to survive in the Pleistocene ice age, including a woolly mammoth. Ray Romano was the voice behind Manny the Mammoth, and team

owner Ryan Smith should do everything he can to get the actor to pay a visit for a multitude of reasons.

It's hard to believe, but the original "Ice Age" movie was released in 2002, and the franchise has five films in total, including The Meltdown (2006), Dawn of the Dinosaurs (2009), Continental Drift (2012) and Collision Course (2016). Romano has voiced Manny Mammoth for all five movies, and with another Ice Age film – "Ice Age 6" – in the works for late 2026, it's absolutely right and feels

appropriate to at least invite him to enjoy a game and celebrate the new team name.

After all, his character gives

him the perfect attachment to the team for the foreseeable future.

An interesting development was uncovered with the announcement of the final RPI and playoff pairings for 4A boys and girls lacrosse. Not only are Cedar and Canyon View in the official bracket, the Falcons have earned a first-round bye.

On the boys side, Cedar finished 7-7 in Region 9 and earned the No. 14 seed. They played host to the Jordan Beetdiggers on Tuesday and a win would mean a trip to Bear River for a second-round matchup Thursday. Canyon View made a big impression, finishing 12-2 in Region 9 and earning the No. 8 seed for the 4A playoffs. The Falcons will host the winner between Juan Diego and Provo on Thursday.

On the girls side, Cedar was 7-5 in Region 9 play and drew the No. 10 seed for the 4A playoffs. They played host to Juan Diego on Tuesday and a win would give the Reds a trip to No. 7 Ridgeline on Thursday.

Canyon View finished 10-2 in Region 9 and earned the No. 4 seed for the playoffs. After a bye, they will host the winner between Logan and Mountain Crest on Thursday.

Reds softball advances at 4A playoffs

by Tom Zulewski

FOR IRON COUNTY TODAY

To hear Cedar Reds softball coach David Koontz tell it, his team's second game of the Super Regional round in the 4A playoffs had more of a challenge against the Orem Tigers. Even with pitcher Sadie Parson struggling in the circle, her teammates had their hitting shoes on and delivered a two-game series sweep.

Hunter Blackner hit one of four Cedar home runs on the day, and the Reds erased an early hole on the way to an 11-7 victory over the Orem Tigers that sent them on to bracket play in the state playoffs. Cedar improved to 24-5, but fell behind 2-0 in the top of the first on a pair of bases-loaded walks before rallying with the long ball.

"I knew we would hit better today, but Sadie was tired," Koontz said. "She wasn't hitting her spots like she normally does, but when she pitches on guts, she's got more of a heart than you could ever ask for."

Blackner started a four-run second inning for Cedar with a solo home run, her second in as many games of the regional and fifth in the last seven games. Sloane Fielding followed one out later with a home run of her own that tied the score at 2-2. With two out, Kate Lopez singled, stole second, and scored on a Kyla Johnson single, and Johnson came around when Parson reached on an infield hit.

Lopez later added a two-run homer in the fifth inning to finish Cedar's scoring in Game 2.

Shaylee Johnson got Cedar's five-run third inning started with a home run, and Kyla Johnson capped the rally with an infield single. Orem didn't quit, scoring three runs in the fifth and two more in the sixth. They would make the Reds sweat in the seventh.

With one out, Hayley Finch and Cheyanne Wells singled, but Parson came back to strike out Andlie Allen for the second out. When Sadie Groenman singled to load the bases and bring the tying run to the plate, it brought Koontz out of the dugout to settle down the infielders.

In the space of one pitch, the drama ended when Hannah Maylett grounded out to Shaylee Johnson at shortstop. Johnson fielded the ball close enough to the second-base bag to secure the final out herself and send the Reds to bracket play at Spanish Fork that started Tuesday.

"Sadie was tired, but the rest of this team picked her up. I'm proud of that," Koontz said.

In the opener of the series played May 8, Blackner homered with two out in the bottom of the sixth to break a tie, and Cedar went on to beat Orem, 4-2 to take the one-game lead. Kyla Johnson added a home

Cedar's **Sadie Parson** delivers a pitch during the Reds' 11-7 victory over the Orem Tigers in Game 2 of the Super Regional played May 9.

run in the third inning to give the Reds a 2-1 lead, but Groenman homered with one out in the top of the sixth to pull the Tigers even at 2-2.

Parson walked five batters, but struck out 13 to earn the victory.

Cedar opened bracket play Tuesday against the West Field Longhorns at Spanish Fork. The best-of-3 championship series happens Thursday and Friday at BYU.

On the baseball side, Cedar's season came to an end with a pair of losses to Park City in the Super Regional. In the opener played May 8, the Reds had a 2-0 lead after four innings before the Miners responded with five runs in the fourth and seven more in the sixth to end the game early with a 13-2 victory.

In Game 2, the Miners struck first with three runs in the top of the third and held on late for a 6-4 win. The Reds trailed 5-1 after Park City scored twice in the fourth, but responded with three runs in the bottom of the sixth. They couldn't get any closer as Park City added a valuable insurance run in the seventh.

Cedar finished its season with a 13-14 overall record.

Mustangs win 4A girls golf title, Reds finish third

Cedar's Taylynn Wilson watches her tee shot into the par-3 14th hole during the second round of the 4A girls state golf tournament at Southgate Golf Course in St. George on May 8.

by Tom Zulewski

FOR IRON COUNTY TODAY

ST. GEORGE – The script was nearly similar to the previous season for the Cedar girls golf team at the 4A state championship. After Day 1 of the 36-hole event in 2024, the Reds were 13 strokes behind the Crimson Cliffs Mustangs and rallied to claim their first state title.

One year later, Cedar was in the same position. This time around, the Mustangs were able to hold on and claim the trophy.

Led by junior Kate Walker's 1-under par 70 that included birdies on the 17th and 18th holes, Crimson Cliffs carded a final-round team total of 325 and finished with a two-day total of 654, good for a 21-stroke win over Ridgeline on May 8 at Southgate Golf Course. Cedar shot a team round of 337 on Day 2, but finished third, four strokes behind the Riverhawks.

The Mustangs won their first 4A state title in girls golf as three players earned medalist honors by finishing inside the top 10. Walker, who suffered a broken pinky finger and other injuries in an April 15 car accident, returned to her first

competitive rounds since then and carded a two-day total of 1-over par 143 (73-70), good for second place, seven strokes behind Orem's Kaylee Westfall.

Westfall shot rounds of 69 and 67 to win the individual title.

In its quest to repeat as 4A champion, Cedar had two players finish tied for fifth among the top 10. SUU-bound senior Taylynn Wilson and junior Breelle Evans ended up with a 36-hole total of 157, 15-over par. Wilson shot rounds of 78 and 79, while Evans carded 77 and 80.

Senior Denym Bohn just missed medalist honors with an 11th-place finish at 168, one stroke behind Ava Miller of Park City.

For Crimson Cliffs, Brynlee Welch was third overall after shooting a final-round 72 to finish at 4-over 146, three strokes behind her teammate. Brynlee Bandley also made the top 10, finishing eighth with a two-day total of 163 (82-81).

Wilson and Welch carded six birdies over the two days of the tournament, one behind Westfall, who had five birdies along with two eagles over the Southgate layout.

TOM'S SPORTS TRIVIA

And now, we have liftoff on another dozen sporting trivia questions for your guessing enjoyment. This week's collection is a grab bag of challenging stuff that won't break your brain – at least that's the intended goal here. Have fun, embrace the chaos, and please remember...no wagering!

1. The Minnesota Timberwolves set an NBA record in Game 5 of its first-round playoff series against the Los Angeles Lakers on April 30 by missing 40 shots from 3-point range (it was in a winning effort, so it worked out). What Eastern Conference team topped that total in its semifinal series, missing 45 threes in a Game 1 loss to the New York Knicks on May 5?

2. What Golden State Warriors shooting guard suffered a hamstring injury in his team's Game 1 win over the Timberwolves in the Western Conference semifinal series May 6?

3. In the Eastern Conference semifinals, the Indiana Pacers erased a seven-point deficit in the final minute and stunned the Cleveland Cavaliers in Game 2, 120-119, to take a 2-0 series lead. What Pacers guard hit the winning 3-pointer with one second remaining?

4. Nikko Rantanen provided all of the offense his team would need with a natural hat trick in a 3-2 win over the Winnipeg Jets in Game 1 of the Western Conference semifinals May 7. What team does Rantanen play for?

5. The Florida Panthers are in a 2-0 hole in its Eastern Conference semifinal series, and the Vegas Golden Knights are facing the same two-game deficit in its Western Conference semifinal. Name both teams that grabbed the early edge in each series.

6. What is the new team name for Utah's NHL franchise that officially replaced "Hockey Club" on May 7?

7. As of May 8, what two teams – one in each league – shared the best record in Major League Baseball at 25-13? Hint: These teams faced each other in a three-game set to start the season, and the National League team swept the series in addition to receiving its World Series rings.

8. What NL Central team became the first in the 2025 season to fire its manager when Derek Shelton was replaced by bench coach Don Kelly on May 8 after getting off to a 12-26 start?

9. In addition to still hitting .400, Aaron Judge has hit 12 home runs to lead the American League. What Seattle Mariners catcher also has 12 homers, tied with Judge in the category?

10. True or False: Charlie Woods, 16-year-old son of Tiger Woods, failed to qualify for this year's U.S. Open.

11. What wide receiver was traded from the Pittsburgh Steelers to the Dallas Cowboys on May 7? The Steelers received the Cowboys' third-round pick in the 2026 NFL Draft and a fifth-round choice in 2027, while the Cowboys got Pickens and the Steelers' sixth-round choice in the 2027 draft.

12. While all eyes were locked on Shedeur Sanders as the fifth-round choice of the Cleveland Browns in this year's NFL Draft, what quarterback from Oregon was also taken by the Browns in the third round?

LAST WEEK'S ANSWERS

1. Dallas Mavericks.

2. Three. The New York Knicks beat the Detroit Pistons in six games, while Golden State beat Houston and Denver beat the L.A. Clippers in the full seven games.

3. True. Oklahoma City swept Memphis by an average of 19.5 points per game, and Cleveland beat Miami by an average of 30.5 ppg, including a 138-83 blowout in Game 4.

4. Carolina Hurricanes.

5. Once. The Knights missed the playoffs in the 2021-22 season.

6. 10 years.

7. Dalton Varsho.

8. 2014. The Tigers won the last of four straight AL Central titles, but were swept in the American League Division Series by the Baltimore Orioles.

9. Fernando Tatis, Jr. Since this question was written, Judge is still hitting .414, but Tatis' average has slipped to .317.

10. Cleveland Browns.

11. Wide receiver, with 31 players selected. In a close second, 30 defensive tackles were chosen, followed by 29 cornerbacks.

12. False. Utah had tight end Caleb Lohner taken in the seventh round by the Denver Broncos, the 241st overall pick.
