... AND ALL OTHERS WHO SO GENEROUSLY DONATE PRIZES AND/OR TIME TO THE FAIR.

WELCOME TO THE IRON COUNTY FAIR

Welcome, we are so glad you're here to join in all of the FUN at the historic Iron County Fairgrounds in Parowan, Utah! The Fair offers everything you'd expect from a rural county fair and so much more! From the Mud Bogs to the Demolition Derby, bronco riding, calf roping and barrel racing, there's something for everyone and adventure for the entire family! Explore our exhibit buildings, ride the Midway, shop the variety

of vendors and enjoy your favorite sights, smells and tastes of the Iron County Fair 2025 as you make memories that will last a lifetime!

Also, may we take a moment to honor those who've blazed the trail, paved the way, cultivated the land, created industry and fought for freedom for all of us... from the Native Americans, to the faithful Pioneers, to our farmers and ranchers and especially to our honored Veterans. Our hats are off and heads are bowed for those who fought for the freedoms and created the foundation, values and heritage we are always mindful of and grateful for in the Mother Town of Southern Utah.

We hope you'll take a few minutes to breathe in deeply and look around to notice and enjoy the beautiful red rock mountains, cotton candy sunsets and the peaceful Parowan Valley as your backdrop. Parowan truly is a magical place! As Helen Keller said, "Life is either a daring adventure or nothing at all." May you find adventure, laughter and fond memories here at the 2025 Iron County Fair! Abundant prayers for blessings to you and yours always.

Mayor Mollie Halterman
Parowan, Utah (Est. 1951)

Greetings All, I would to invite you all out to the Iron County Fair. This is a special time that we get to celebrate the wonderful area we live in. While you're at the Iron County fair, be sure to thank all the volunteers that have worked so hard to put this together, It truly takes a lot of dedication from a lot of people to make this happen. So get out there and enjoy the adventure that's waiting for you.

Clayton Calloway
Brian Head Mayor

The best adventures aren't always found in far-off places—they're right here at home, waiting for us at the Iron County Fair. Whether it's the roar of the Demolition Derby, the rush of the rodeo, or the thrill of stepping into the fairgrounds and taking it all in, there's something about this time of year that brings out the spirit of adventure in all of us.

You know it's Fair time when the whole county seems to show up, the smell of fresh-cut hay and funnel cakes fills the air, and you can't walk ten feet without running into someone you know. The Fair isn't just an event—it's a tradition, a gathering place, and a reminder of everything that makes this community great. It's where old friends catch up, new memories are made, and everyone, young and old, can find something to enjoy. Maybe that's testing your luck at the carnival games, cheering on a favorite contestant at Iron County's Got Talent, or simply enjoying the view from the grandstands as the dust flies in the arena.

And, of course, no adventure at the Fair is complete without a stop in Parowan for a warm cinnamon roll or fresh fries and fry sauce from the Dairy Freeze before heading home. Some traditions just taste better.

In Enoch City, we understand that progress and tradition aren't at odds—they work together. The Fair proves that every year. It's where the past and the future meet, where stories are told and retold, and where we come together to celebrate the place we call home.

So come out, embrace the adventure, and make the most of it. I'll be there—probably in the grandstands at the Derby, enjoying a corn dog with plenty of mustard.

Geoffrey L. Chesnut
Enoch City Mayor

Welcome to the Iron County Fair. The Fair "Adventure" is a highlight in Southern Utah each year. As usual there is something for everyone and the tradition continues.

Hosted again in our Mother town, Parowan, the parade, exhibits, races, derby's', and entertainment will be a first class "Adventure". As the mayor of Cedar City, I extend a warm welcome to all.

Garth O. Green
Cedar City Mayor

Adventure Awaits at the Iron County Fair

Dear residents and visitors to the Iron County Fair,

Welcome to the Fair. This year's theme, "Adventure Awaits at the Iron County Fair," embodies the excitement that arrives each fall as we gather for this cherished tradition. As we build memories with family and friends, many conversations begin with, "Remember when?" The fair represents those times, offering memorable activities and relationships.

A successful fair is the result of countless hours of dedication from organizers, volunteers, participants, and supporters. We wish to express our heartfelt gratitude to everyone who contributes their time, energy, and passion to make the Iron County Fair a welcoming and joyful event year after year. Your commitment is the foundation on which these "Remember when?" moments are built.

Thank you for being a part of this wonderful tradition. Adventure awaits—let's make this year's fair unforgettable.

Sincerely,
Ken Robinson
Iron County Commissioner

Adventure awaits everyone this year at the Iron County Fair! As I review the line up of events this year, adventure is guaranteed. Not only are all the old favorites coming back like the car show, mud bog, rodeos and parade, but this year also features a trail ride, tractor show and pull, and the Miss Iron County and the Miss Rodeo Iron County Pageants. If you are looking for something for everyone, the Iron County Fair is the place to be.

As Mayor of Kanarrville, I want to invite everyone out to participate in the fair. This multi-day event is jam-packed with activities, food and fun. So come hungry and enjoy spending some time with your family and friends.

Lastly, a big thank you to all the organizers and volunteers who put this event together.

Tyler Allred
Kanarrville Mayor

Welcome to the 2025 Iron County Fair where Adventure Awaits! This has always been an exciting time of year for communities throughout Iron County to come together with family and friends and enjoy all the fun activities the fair has to offer. There are lots of "adventures" to experience, including the rodeo, mud bogs, demolition derby, carnival, and so much more! I would like to thank all of those who

volunteer their time and talents to make it happen each year. The Iron County Fair is a great tradition that I hope will continue for years to come.

GRAND MARSHAL: BILL & DEBBIE GRIMM

A LEGACY OF SERVICE IN IRON COUNTY

Bill and Debbie Grimm have called Iron County home for the past 34 years, accomplishing more in that time than many do in a lifetime. They raised five children, all proud graduates of Parowan High School, and are now the grandparents of 20. Bill had a deep love for working with youth. For over 40 years, he taught horsemanship skills through 4-H, competitive showing, and trail rides. He also served as a leader in the Boy Scouts of America, where he taught the leatherworking merit badge. Whatever Bill took on, he gave it his all—whether that meant helping with his wife's many volunteer projects, painting soccer lines, picking up donkeys, building exhibit display boards, or designing sets and props.

Debbie is a lifelong creative spirit. For over 30 years, she has designed costumes for community theater, high school productions, the Literary Arts Club, and the Cedar City Library. She has coached youth in soccer, baseball, softball, basketball, and 4-H. In Scouting, Debbie received the District Award of Merit and was honored as an Influential Woman in Scouting for her many years of service. She has sung in the community choir, volunteered with the high school band, and overseen exhibits and ticketing for the Iron County Fair. Her work at Parowan High School included roles as a custodian, classroom aide,

ticket taker, drama competition auditor, lunch duty supervisor, and scorekeeper.

Together, Bill and Debbie have shaped countless lives through their dedicated volunteer work. Though they moved to Parowan years ago, they immersed themselves so fully into the community that it has always felt like home. To many, they are the heart of Parowan.

MAN UP CRUSADE

DOMESTIC VIOLENCE AWARENESS

The Iron County Fair & PRCA Rodeo Board has recently teamed up with the Man Up Crusade® to bring "Purple Night" to the Iron County Fair & PRCA Rodeo on Friday, August 29th, 2025. The Man Up Crusade is a non-profit organization dedicated to creating public awareness on the issue of domestic violence. The Man Up Crusade chose professional rodeo and the Professional Rodeo Cowboys Association (PRCA) as its vehicle of choice to spread the word about the epidemic of domestic violence and teen dating violence. Organizers of the Iron County Fair & PRCA Rodeo have dedicated, Friday, August 29th as Man Up Crusade Purple Night. Across the nation, purple and the purple ribbon has been adopted to show support for victims and for advocates to honor those who have lost their lives at the hands of someone they once loved. On Purple Night all rodeo participants, fans and support personnel are encouraged to wear purple to show their support for this great cause.

Domestic Violence (also known as intimate partner violence) includes physical violence, sexual violence, stalking, and psychological aggression (including coercive tactics) by a current or former intimate partner (i.e. spouse, boyfriend/girlfriend, dating partner, or ongoing sexual partner). Some forms of intimate partner violence (sexual violence, psychological aggression, coercive tactics, and stalking) can be perpetrated electronically through mobile devices and social media sites, as well as, in person. A child's exposure to domestic abuse is the strongest risk factor for transmitting violent behavior from one generation to the next.

NATIONAL STATISTICS

*Provided by National Center for Injury Prevention and Control, Division of Violence Prevention

- 1 in 4 women and 1 in 7 men will experience domestic violence in their lifetime.
- On average, 20 people per minute are physically abused by an intimate partner in the United States.
- Children who witness domestic violence in their home are twice as likely to become abusers or victims as adults.
- 10 million children in United States witness some form of domestic violence annually.
- Almost 50% of all police calls for service are for domestic violence.

Promoting healthy, respectful, and nonviolent relationships and communities can help reduce the occurrence of intimate partner violence. It also can prevent the harmful and long-lasting effects it has on individuals, families, and communities. Iron County Fair & PRCA Rodeo hopes you will join them on Friday, August 29th for Purple Night. The Man Up Crusade welcomes you to contact them through their website at www.manupcrusade.com.

For information on the Iron County Fair & PRCA Rodeo go to their website at www.ironcountyfair.net

BREAKAWAY ROPING

Breakaway roping is an exciting and fast-paced event in the world of rodeo. It's a timed competition where a cowgirl on horseback chases a calf and ropes it as quickly as possible. The goal is to throw a loop around the calf's neck and then let the rope "break away" from the saddle horn, which stops the clock.

This event is all about speed and precision. It's a true display of the talent and athleticism of both the rider and the horse.

BARREL RACING

Barrel racing is one of the most exhilarating events in rodeo. It showcases the incredible partnership between a rider and their horse as they navigate a cloverleaf pattern around three barrels in the fastest time possible.

Precision and speed are crucial, as knocking over a barrel results in a time penalty. Barrel racing is a true test of agility, speed, and teamwork.

RANCH HAND SADDLE BRONC

Ranch hand saddle bronc is a rodeo event that combines the rugged skills of ranch work with the thrill of bronc riding. In this event, riders use a working saddle, just like the ones used on the ranch, to ride a bucking horse for eight seconds.

Unlike traditional saddle bronc riding, the ranch hand version emphasizes the practical skills used in everyday ranching, adding an authentic touch to the competition.

MISS RODEO IRON COUNTY

WAS HELD IN JUNE

PHOTOGRAPHY BY: BECCA EVANS PHOTOGRAPHY

At this year's Miss Rodeo, the contestants had a rigorous competition in the categories of horsemanship, moving cattle, speech, interviewing, modeling, impromptu speaking, and personality.

Some of the perks of being in the Rodeo Royalty are working with the crowds so they understand rodeo, herding cattle at the rodeos, judging contests during

many of the Fair events, and the best part – signing autographs.

ICFB would like to thank Miss Rodeo's Director, Mylee DeGroff & Gail Harris for putting on an outstanding pageant.

SUU ANIMAL AMBASSADORS

MON, SEP 1 @ 1 PM - 4 PM | AG BUILDING

Animal Ambassadors is an outreach program sponsored by Southern Utah University and the SUU Department of Biology. They use live animals to connect with the public about science, nature and conservation. Initially begun in 2011, their program has become one of the most active student organizations on the SUU

campus with more than 40 student volunteers, 50 events or presentations and 7,000 audience members each year.

They visit schools, scout groups, libraries and other organizations, as a way to give back to the greater Cedar City Community in a way that is enjoyable and exciting for all. Additionally, they serve a humane role, as most of their animals are former pets or those needing rehabilitation. Animal Ambassadors are excited to be a part of this year's Iron County Fair!

SOUTHWEST LIVESTOCK SHOW

THURS, SEP 4 - SAT, SEP 6 | DIAMOND Z ARENA, CEDAR CITY

The Southwest Livestock Show was started in the 1940's and continues to make a positive impact on our youth and our community today, some 75 years later. The mission of the Southwest Livestock Show is to provide an arena where young people can learn and gain discipline, patience, goal-setting, teamwork - all traits that employers seek. Young men and women also participate in project planning and management, creating good work ethic and many new friends providing growth and opportunities in and outside of the arena. We also seek to promote the agriculture industry, provide a cooperation between businesses and community and showcase the traditions of Iron County.

Livestock exhibitors pick up practical agricultural knowledge and experience, such as breed identification, quality and yield grades, breed characteristics, animal health care, animal behavior, nutrition, marketing, animal husbandry, record-keeping and budget management. Please consider helping promote these traits by supporting our young showmen during sale day, by sponsoring their project, helping set up and take down the barn or serve as a member of the teams which are organized by our committees.

The Livestock Show will be held at the Diamond Z Arena. For more information visit swjl.showandfair.com
