\*APY = Annual Percentage Yield.

Qualification Information: To earn your rewards, the following are required during the Monthly Qualification Cycle: 1) At least 2 direct deposit, ACH payment, or ACH credit transaction(s), 2) At least 12 debit card purchases, & 3) Be enrolled in receiving e-statements. Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards. See [sbsu.com/cycle-dates](https://sbsu.com/cycle-dates) for specific Monthly Qualification Cycle dates.

Reward Information: When qualifications are met, daily balances up to and including \$20,000 earn an interest rate of 4.889% resulting in an APY of 5.00%; and daily balances over \$20,000 earn an interest rate of 0.747% on the portion of the daily balance over \$20,000 resulting in a range from 0.75% to 5% APY depending on the account's daily balance. Interest will be credited to your account on the last day of the current statement cycle. When qualifications are met, you will receive reimbursements up to an aggregate total of \$25 for nationwide ATM withdrawal fees incurred within your SBSU High Interest account during that Monthly Qualification Cycle. We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM withdrawal fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction. When qualifications are not met, the interest rate earned on the account's entire daily balance will be 0.05% resulting in 0.05% APY. ATM withdrawal fees are also not refunded when qualifications are not met.

Additional Information: Rates effective as of 12/08/2025. Rates, rewards, and bonuses, if any, are variable and may change after account is opened; rates may change without notice to you. Contact one of our bank service representatives for additional information, account details, restrictions, reward calculations, processing limitations, cycle dates and enrollment instructions.

# GOLDBACK®

*Available  
Now!*

## *What are Goldbacks?*

Goldbacks are a form of alternative currency backed by physical gold. Unlike traditional paper money that can fluctuate in value due to economic instability or government policies, Goldbacks provide a stable and secure means of exchange. Each Goldback note contains a precise amount of gold, ensuring its intrinsic value remains intact regardless of market conditions.

**We accept & sell Goldbacks!**
